One Edition, Different Products

The STABILO Animal Vibes edition features a curated selection of colors across four popular product lines:

- **STABILO BOSS MINI:** 5 neon shades, each paired with a unique animal – sloth, bat, lemur, fox, or hamster.
- **STABILO Trio thick short:** A set of 12 bold colors, each decorated with a different animal print.
- **STABILO Pen 68 Mini** and **STABILO point 88 Mini:** Each available in a set of 8 colors, complete with one of five different stickers to collect and personalize.

These products have been chosen for their wide range of colors and application options. They can be combined easily and used on their own.

Mini Products, Big Impact

The products included in the STABILO Animal Vibes edition all come in mini formats, making them ideal for children. They fit in any pencil case, are perfect for taking on the go and most importantly fit perfect in small hands. Despite their size, they maintain STABILO's renowned quality – from the neon ink of the STABILO BOSS MINI to the precise lines of the STABILO point 88 Mini.
